

The image is a hand-drawn sketch of a mobile application interface for adding a new item. The app is titled "Novo item" (New item) at the top. It features a back arrow in the top left corner. The main form includes fields for "Item:" (containing "Leite"), "Quantidade" (containing "12"), "Preço" (containing "R\$ 4,00"), and "Mercado" (containing "Perim"). There is a red information icon next to the "Item:" field and a red checkbox labeled "Buscar Menor Preço" (Search for lowest price). A distance slider is set to "21 km". At the bottom, the total price is displayed as "TOTAL: R\$48,00" next to a large black circle with a white checkmark. The interface is enclosed in a rounded rectangle with a black border, and the top status bar shows signal, Wi-Fi, and battery icons along with the time "13:05".
